

# DRR Fastest Times 2025

Times are for the calendar year 2025.

To qualify:

1. You must be a member at the time you run the time. Members who renew by 31 March will have all their times since 1 January counted.
2. You should be running with Dundee Roadrunners as your club in the race, or have it attached to your parkrun profile. If you are running under the name of another Scottish club, your time will not be included.
3. The race should ideally have a certificate from the governing body verifying the accuracy of the course measurement. Where courses are found to be under-distance, they will not qualify. The DRR committee has the final decision as to whether a race counts.
4. Parkruns are generally counted under 5k, even where they are not officially measured.
5. While we will add any times that we are aware of, it is your responsibility to inform the club of any times you have run. Please email [roadrunnersdundee@gmail.com](mailto:roadrunnersdundee@gmail.com)

Times will be used for the calculation of club standards at the end of the year. Details of standards can be found at

<https://www.dundeeroadrunners.co.uk/standards>

Standards are calculated using the age category as at the date of the race. Where a runner has achieved a higher standard with a slower time as a result of changing age category, their fastest time is shown below, but the higher standard is shown and marked with an asterisk.
